

International research network for study and development of new tools and methods for advanced pedagogical science in the field of ICT instruments, e-learning and intercultural competences

Report on Milestone 3

Milestone number: 3

Milestone name: Decision on using selected IT tools after their versatile testing

Scheduled delivery month: 24

Scheduled delivery date: December 2015

Milestone 3 report

Decision on using selected IT tools after their versatile testing

WPs	Deliverable ID	Deliverable description	Planned Milestones	Progress status	Amended Milestone	Comments
WP4	D 4.1.	Monograph "Innovations in Higher Education - Modern Communications and Collaboration at the University using Specific ICT tools"	3	was published		Innovations in Higher Education – Modern Communications and Collaboration at the University using Specific IT Tools : [International collective monograph] / [Collective of authors]; (gen. ed. d.of pedagogy, prof. Nakaznyi M. O.). — Dniprodzerzhynsk : DSTU, 2015. — 376 p. ISBN 978-966-175-114-8 (http://www.dstu.dp.ua/konf/info/2015_2/kollekt_monograf.pdf)
WP4	D 4.2.	Joint Consortium Report on the Selection new ICT tools and their characteristic	3	was published		Joint Consortium Report on the Selection new ICT tools and their characteristic was published on the project website (http://www.irnet.us.edu.pl/work-packages/wp4 ;

Project financed by the European Commission under the 7th Framework Programme within the Marie Curie Actions International Research Staff Exchange Scheme under grant agreement No PIRSES-GA-2013-612536

WP4	D 4.4.	Discussion papers on the topic of more adequate and effective ICT tools	3	was prepared		<p>Eugenia Smyrnova-Trybulska, Ewa Ogrodzka-Mazur, Anna Szafrńska-Gajdzica, Martin Drlík, Martin Cápaj, Júlia Tomanová, Peter Švec, Nataliaia Morze, Rusudan Makhachashvili, Maryna Romanyukha, Mykoła Nakazny, Lyudmyla Sorokina ,Tomayess Issa, Theodora Issa „ DISCUSSION PAPERS ON MORE ADEQUATE AND EFFECTIVE ICT TOOLS. SOME PREVIOUS RESULTS CONCERNING MORE ADEQUATE AND EFFECTIVE ICT TOOLS ON CATEGORY: TOOLS FOR MAKING PRESENTATIONS ”, International Journal on Research of E-learning, University of Silesia Publishing House, Vol.1 No. 1, 2015 was prepared and submitted.</p>
WP4	D 4.5.	Script “Selection ICT tools and their using for developing IT competences”	3	was prepared		<p>Script “Selection ICT tools and their using for developing IT competences” was prepared and will be available in electronically version in 2016</p>

Project financed by the European Commission under the 7th Framework Programme within the Marie Curie Actions International Research Staff Exchange Scheme under grant agreement No PIRSES-GA-2013-612536

International research network for study and development of new tools and methods for advanced pedagogical science in the field of ICT instruments, e-learning and intercultural competences

WP4	D 4.6.	Month: 24 - Scientific paper "Using effective and adequate ICT tools for developing teachers' skills (International Journal IJCEELL)	3	was prepared		Smyrnova-Trybulska E., Morze N., Tatiana Pavlova, Kommers P., Iryna Sekret: "USING EFFECTIVE AND ADEQUATE IT TOOLS FOR DEVELOPING TEACHERS' SKILLS" , <i>Int. J. Continuing Engineering Education And Life-Long Learning</i> , ISSN 1560-4624 has been prepared and should be published in 2016
WP4	D 4.7.	A collection of papers "Open Educational and Informational E-environment of Modern University" (resp. prof. Nataliia Morze)	3	was prepared		Open Educational E-Environment of the Modern University: Collected Science Works / [Morze N., Makhachashvili R., Buinytska O.; under the general editorship Morze N.] – Kyiv : Borys Grichenko Kyiv University, 2015. – p. 248 Відкрите освітнє е-середовище сучасного університету : Зб. наук. праць / [Морзе Н.В., Махачашвілі Р.К., Буйницька О.П.; за заг. ред. Морзе Н.В.] – К. : Київ, ун-т ім. Б. Грінченка, 2015. – 248 с. Collection of papers prepared in two language versions - Ukrainian and English.
WP4	D 4.8.	Monograph "IT tools – Good Practice of Effective Using" (resp. prof. Eugenia Smyrnova-Trybulska)	3	was published		"IT tools - Good Practice of Effective Use in Education" Monograph. Scientific Editor: Eugenia Smyrnova-Trybulska, University of Silesia, Studio-Noa Publishing, Katowice-Cieszyn 2015, P.408, ISBN 978-83-60071-82-3

Decision on using selected IT tools after their versatile testing has been presented on the project conferences such as : The international scientific-practical conference "XXIII Educational Technology Conference" (JUTE2015), in UEx (June 2015, Badajoz, Spain), "Innovations in Higher Education" in DSTU (June 2015, Ukraine); Open educational e-environment of modern University in BGKU (August 2015, Ukraine), ICTE2015 in OU (September, 2015, Roznov-pod-Rodhostem – Ostrava, Czech Republic) DLCC2015 in US (October 2015, Cieszyn, Poland), other as well as in numerous project publications.

Project financed by the European Commission under the 7th Framework Programme within the Marie Curie Actions International Research Staff Exchange Scheme under grant agreement No PIRSES-GA-2013-612536
